Purchase Notice

• * Due to the popularity of the store, we are unable to specify the store. KKday will inform you of the store you will be assigned to in the voucher. * Each diner must reserve a set meal. The restaurant will arrange seats according to the number of people reserved. If the number of people on the day does not match, the restaurant has the right to refuse to accommodate. Please understand. * Passengers at the same table must enjoy the same meal. If passengers book different meals, their seats will be arranged separately. * The restaurant has limited seats and reservations are recommended one month in advance. * If you are travelling with children aged 0-6, please fill in the number of children when booking the meal so that the restaurant can reserve a seat. * Please note that seats are arranged by the restaurant and cannot be specified.

Reminders

- Japanese restaurants strictly follow the time-based reservation system. If you are more than 10 minutes late, it will be regarded as giving up the reservation. Latecomers cannot use this as an excuse to request changes, cancellations, or refunds.
